

Washington State Investment Board Portfolio Overview by Strategy December 31, 2017

NOTE: IRRs presented are interim estimates and may not be indicative of the ultimate performance of partnership investments due to a number of factors, such as the lack of industry valuation standards and the differences in the investment pace and strategy of various funds. IRRs tend to be less meaningful in the early years of a partnership's term when underlying portfolio company investments have typically not been realized. The IRRs contained in this report are calculated by Hamilton Lane based on information provided by the general partner (e.g. cash flows and valuations). Such IRR calculations have not been confirmed by the general partners. The result of WSIB's IRR calculation may differ from that generated by the general partner or other limited partners, primarily due to differences in the date of close, sale of distributed stock, accounting for bridge loans, and valuations.
